

Characteristics

- vandal-proof
- suitable for a prison
- including pre-installed mounting frame SLR 03
- is destined for the brick wall
- five-point system for fixing of stainless steel toilets
- metal frame construction with surface finishing blue powder coated
- mounting screws M10, waste pipe holder with connecting set Ø 50 mm and waste pipe holder with the elbow pipe Ø 110 mm
- special vandal-proof stainless steel cover, thickness 3 mm, safety screws
- toilet flushing unit for a pressure water from water distribution, isn't possible to use it for toilet with tank
- water flows after soft push of the piezo button
- adjustable flushing time 0,5 15,5 s, standard 8 s
- automatic hygiene flush after each eighth flush or 24 hours non using of toilet
- parameters adjustment by remote control SLD 04
